Special Day

Hiccup's POV

Today it is a special day here in Berk. It's the day when I will finally ask Astrid to be my girl. Nothing wrong can be happen today, Drago, Alvin, Dagur, nothing. This comes to my mind a few weeks ago, when Astrid wants to ask me something and I don't listen her. If it was for dating with me ? I thinking about this for weeks and BOOM ! I had this idea! I just need to know if someone will help me too.

-Hey guys guys! Guys!-I scream, running to the academy. Everyone was training with their dragons today, except for Snotlout. But... he always doesn't do nothing I said for everyone do !-GUYS! ATTENTION HERE!-Now they stop what they doing to listen me. Great.-People, as you know, today it would be a big day. Some weeks ago, Astrid ask me

something, but I don't listen her. I think it was for me dating with her. So... I want to ask her to be my girl today! Please guys, help me!

I said all of this very fast, because I was nervous and afraid if Astrid comes in, because if she did this, will break everything I want to do for her. Imediately, the guys start to laugh. I roll my eyes. _Great friends I have,_ I thought, sarcastically.-Guys, this is serious! Everyone know how much I love Astrid, right?-I ask

-Oh yeah man, everyone can see in your face.-Snotlout says, ironic.

Stay calm, Hiccup. Today is THE day, remember?-Thank you, Snotlout!-I scream. And I say again:-So... can I count with you guys or not? And remember: Astrid can't knew about nothing, okay ?-For my surprise, everyone start to screaming ''YES!'' and I said:-Alright guys, Astrid is coming!-I said and imediately everyone is doing again what they're doing.

-Hey guys, what's up?-Astrid says, when she's coming to the academy and giving a kiss at my cheek. Oh, I love how this girl loves me so much!

-Nothing Astrid, just seeing Hiccup being blushing again while he's talking about you!-This time, Tuff kicks Snotlout on his ass and I really try not to laugh watching this.-We're training, as usual...-Snotlout says again, rolling his eyes. Oh shit, Astrid knows about everything. Damn it !

-Really girl, it was nothing!See you later !-I said to Astrid, kissing her cheek back and going out of the academy. I need to start what I will doing tonight for Astrid.

(Later...)

Oh my gosh! I really try not to cry right now. This is the most romantic thing someone did to me! I was at all the places I was with Hiccup before. Everyone starts to applause, but Hiccup start to say something:

Hiccup's POV

I really think everything was perfect! It was wonderful seeing how Astrid was surprised and happy with everything I did for her ! Okay Hiccup, now is the time. Do it!

- We met right here. We was at a dragon class and this girl almost kills me. I imediately know how this girl was, strong outside and inside. After, I took this girl's hand and we had our time, flighting with Toothless.-She smiles, remembering everything. I smiling to her and I continue:-In some way,my soul says to me something I never realized before and now I see: our hands are totally make for each

other. Fearless and forever. Which is like I remember you from something. It's like we fall always for each other. Over and over. All of eternity. And I feel so lucky, because what I always want to do is spending all my time loving you. So...-I breathe a little and kneeling before Astrid and she is like trying not to cry. I smile and take something from my pack.-Astrid Hofferson. My best friend and my one true love. Will you be my girl?-I make what I want to do. Oh my Thor, I did what I want to do ! Please Astrid, say yes!

Astrid's POV

Oh. My. Thor. I really listen this? I never, I repeat, never imagine Hiccup say all of everything he says right now and ask me to be his girl! I need to say I am so happy as I never have before? Now I am oficially Hiccup's girlfriend! Wow Hiccup, who knew you would be so romantic?-Yes. Yes. YES!-I say, crying happy, after Hiccup putting the ring at one of my hand's finger with a big smile and kisses me passionate and romantically. Everyone start to applause again, even Snotlout and I saw Tuff saying to him:''Pay me!''. Everyone goes out and in the room just was me and Hiccup.

-So... where we going now, my man and the future chief of Berk?-I ask Hiccup, giving him a little kiss.

He smiles and answered me:-What do you think about flighting with my dragon, milady? Do you trust me?-Hiccup asks, holding my hand. It is perfect. I nooded with my head and imediately me, Hiccup and Toothless are at the dark sky. It's a shame we need to go back to Berk to soon, but now what I just want is a moment with..now...my man and my future husband.
